RISING STARS

**2013
SUMMER
BASKETBALL
CAMP**

**Boys Entering Grades 5-9
L.I. Lutheran - Brookville L.I.
August 19-22**

Dear Parents and Campers,

Welcome to our 20th annual Summer Basketball Academy series. Once again we anticipate a waiting list of campers that wish to attend. The reasons are simple. We strictly limit enrollment in every camp, and provide an exceptional basketball experience.

Last summer camp had 4:1 camper to staff ratio. Many teams had two coaches, all teaching was conducted in small groups, and semi-final/final games were officiated by three IAABO officials. **That's the Rising Stars difference.**

If you are reading this someone has recommended you to us. Our only advertisement comes from previous RISING STAR attendees.

I hope to see you this summer, and I can personally guarantee your experience will exceed your expectations.

Please remember, enrollment is limited, so apply early. Feel free to E-mail us at info@risingstarsinc.org with any questions, or better still, talk to anyone who has been a part of Rising Stars.

Sincerely,
DAN GIMPEL

PHILOSOPHY

Rising Stars will emphasize the teaching of the fundamentals of all aspects of elementary basketball. Every area will be covered including the skills and techniques needed to improve, as well as, conditioning and flexibility programs that are so necessary for players to be able to continue to improve. Each day will offer individual stations that will cover shooting, dribbling, passing, rebounding and defense so that each camper can apply these skills during their daily games. Here team concepts will be taught and broken down with strategies that will be applicable at all levels of future play. Most importantly campers will be given the opportunity of learning, playing and having fun.
